

Me And The Boys

Kevin Fowler

[KF:]

My best friend Bud you know he's the king
He makes me do some stupid things
When he's around oh, anything goes

[GJ:]

Jose's gonna be there tonight
he'll either get me in a fight
or up on the bar, singing in espanol.

[Chorus:]

[KF:] (Yeah) Tonight its just me and the boys
I'll be kickin back with Jim and Jack
& Johnny Walker Red and Black

[GJ:] They never seem to let me down
they're always good for one more round

[Both:] tonight its just me and the boys

[KF:]

George Dickel he's a real good boy
but he's the reason I'm unemployed
when I hang with him
Oh I always punch in late.

[GJ:]

Now Captain Morgan he's ornery guy
he ran off with my second wife
god bless that man I thank him everyday

[Chorus: x2]

[GJ:] Tonight its just me and the boys
I'll be kickin back with Jim and Jack
Johnny Walker Red and Black

[KF:] They never seem to let me down
they're always good for one more round

[Both:] tonight its just me and the boys

[KF:] Tonight its just me and the boys
I'll be kickin back with Jim and Jack

[Both:] Johnny Walker Red and Black

[KF:] They never seem to let me down

[GJ:] they're always good for one more round

[KF:] tonight its just me and the boys

[GJ:] tonight its just me and the...

[KF:] tonight its just me and the...

[GJ:] tonight its just

[Both:] me and the boys
