

She Ain't Bad But She Ain't You

Kevin Fowler

Lookin' back I'd have to say
I dropped the ball again
I let you slip through my fingertips
Now I'm payin' in the end
I let you go, I watched you leave
I guess the jokes on me
When I lay with her at night
You're all I see

She ain't bad but she ain't you
I guess she'll have to do
I can't keep my mind from goin' back in time
And wishin' that we weren't through
She may hold me, and she may love me
But she can't melt me like you do
I know it's wrong to say it
She ain't bad but she ain't you

She don't do nothin' wrong
She's more than I deserve
But if I can turn back the hands of time
It's you instead of her
I had you once, I let you go
You won't be comin' back
So I'll be right here with her
Dreamin' about our past

[Chorus]

I know it's wrong to say it
She ain't bad but she ain't you
