She Ain't Bad But She Ain't You

Kevin Fowler

Lookin' back I'd have to say I dropped the ball again I let you slip through my fingertips Now I'm payin' in the end I let you go, I watched you leave I guess the jokes on me When I lay with her at night You're all I see

She ain't bad but she ain't you I guess she'll have to do I can't keep my mind from goin' back in time And wishin' that we weren't through She may hold me, and she may love me But she can't melt me like you do I know it's wrong to say it She ain't bad but she ain't you

She don't do nothin' wrong She's more than I deserve But if I can turn back the hands of time It's you instead of her I had you once, I let you go You won't be comin' back So I'll be right here with her Dreamin' about our past

[Chorus]

I know it's wrong to say it She ain't bad but she ain't you
