

Slow Down

Kevin Fowler

early every morning up and out bed a thousand things runnin thr
ough my head thinkin bout all the stuff i gotta get done 8 to 5
then back home take out the trash mow the lawn i work and work
sill ive seen no fun

well ive gotta slow down for a minute cause this life that ive
been livin is killin me but i cant seem to turn it all around i
ve gotta stop and smell the roses before the final curtain clos
es all work and no play is gonna put me six feet under ground w
ell ive gotta slow down

to the bank cash that check pick up the car that my wife wrecke
d workin over time just trying to make his meat drop off the do
g pick up the kids my blood pressures gone and all im gonna get
is crazy crazy life i lead

well ive gotta slow down for a minute cause this life that ive
been livin is killin me but i cant seem to turn it all around i
ve gotta stop and smell the roses before the final curtain clos
es all work and no play is gonna put me six feet under ground w
ell ive gotta slow down

yeah im caught up in this damn rat race this treadmill life won
t slow its pace im like a dog chasing my tail wind it right bac
k in the same old place

well ive gotta slow down for a minute cause this life that ive
been livin is killin me but i cant seem to turn it all around i
ve gotta stop and smell the roses before the final curtain clos
es all work and no play is gonna put me six feet under ground i
ve gotta slow down

you know i gotta slow down

ive gotta slow down
