

Movie

Kevin Gates

Say tonight we gonna make a movie, it's incredible
Yes, we gonna light this alley shit, you ever know
If you the fliest girl in college you should let 'em know
And just forgot about your problems and say let them go
Please, don't turn on the lights, that's my DJ on the mic
You can shake from left to right and me, I'm tryna get behind
Oh yes, we gonna be alright, it's our night
And oh yes, we gonna be alright, it's our night

You know gangsta shit is my special, you the bad bitch, you know death
I'm in the dressing room, I lay dressing, my music got 'em undressing
Salad dressing, I want extra, I'm too cute to wear a necklace
This bitch moving, moving reckless, selling white, all two white hoes
Pick the BUA, Keving Gates ain't got no break
Bitch, I don't know what to say, think I had too much to drink
Everybody go let your body, go grab somebody, don't let nobody
Know mic recording, go true religion, '
I'm a light skinned gangsta, feel myself, masturbation
Watch your girl, she call her people, ain't no pussy'
Shit is starting in the matrix

Let me see you work, work, work
Drop, drop, drop, drop
Work, work, work, work
Twerk, twerk, twerk, twerk

Say tonight we gonna make a movie, it's incredible
Yes, we gonna light this alley shit, you ever know
If you the fliest girl in college you should let 'em know
And just forgot about your problems and say let them go
Please, don't turn on the lights, that's my DJ on the mic
You can shake from left to right and me, I'm tryna get behind
Oh yes, we gonna be alright, it's our night
