

# Wish I Had It

Kevin Gates

Anything lost can be found again  
Except time wasted

A vision without action  
Is merely a dream  
Action is the pride  
It the hustle  
It's the persistence

In a car while roaming around  
All my thoughts been roaming around  
Where I come from like a hole in the ground  
Silly me still holdin it down  
Every car pass by with the music real loud  
While they bumpin roamin around  
Tellieen me to make a hit but I really don't get  
While they walk I'm roaming around

Out my window  
I see everything I dream about and wish I had  
(Retawdid I'm retawdid)  
Out my window  
I see everything I dream about and wish I had  
Hustle hustle hustle clock is ticking ain't no time to kick it  
Nothing come from sleeping but a dream  
Hustle hustle hustle gotta get it  
On my true religion  
Nothing come from sleeping but a dream

Light skinned and I fight good just like muhamed Ali  
(Gates) jab nasty hook good just like muhamed Ali  
Rollin bands in my pants talkin cash I'm a smash hold up  
Out the streets stay in the streets all I could do is be me  
With flo rider nothing in common I'm not a B.O.B  
Hustle hard and I'm hands on I'm a good guy that can transform  
Did time I ain't ask for  
Still sendin mail through the hatch form  
Different city within the city  
More over product then an antfarm  
L-l-l-look, don't try this at home

I be loaded actin at condos  
Product of a broken home  
Pray but I just hope that I don't choke what I'm smokin on  
Potent, ocean-grown, no cologne I just roll  
Two time convicted felon dumb shit get at me  
Yeah it's Luca brasi right here talkin bitch you know I got them racks  
I'm a shooter with a shooter I ain't never pay for that  
Young money wanna sign me, my rap jacket too violent  
Bread winner, 100it gang that's dreco and mysie
