

Ya Kiss

Kevin Lyttle

Ohhh, heeyy nooo, baby you dont kno.
Ooohh baby you dont kno
Oh yooouuuuuuuuu make me feel mmmmmmm

Man u gotta love it
Get butterflies in my stomach
When i think of it
Girl your lovin like a race
Imma keep runnin'
You got a kiss thats so wet
I wanna drink from it (can i drink from it?)
Man i wanna dub it
And hit rewind everytime its on my mind cuz i,
I cant seem to get you off my mind and im,
In love with it ever scince the first time i, saw yooouu

It was ya lips that made me want ya (more)
It was ya kiss that made me need ya (more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss (no lie girl)

Girl u kno i love ya
You gotta body so hot
Dont wanna touch ya
Got my temperature rising
About to burn up
If its so crazy in love
This girls is crazy (girl is crazy)
I just wanna feel it (feel it)
Like waves on the beach
We ridin jet skis
Girl the way that i feel when u next to me
Hard to explain girl
A special kind of chemistry
That i feel when im with yooouu

It was ya lips that made me want ya (more)
It was ya kiss that made me need ya (more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss (no lie girl)

You got the kinda kiss that make me never wanna mess around (never wanna mess around)
You got the kinda thang that only make me wanna love you down (make me wanna love you down)
If i ever get a wish
I only wish that theres you and i (that its you and i)
I would never tell you no lie (never tell a lie)
Its all i need to get by
Your kiss

It was ya lips that made me want ya (more)
It was ya kiss that made me need ya (more)
It was ya kiss that got me on ya
It was ya kiss

It was ya kiss (no lie girl)

You got the kinda kiss that make me never wanna mess around

It was ya kiss...
