I walk alone and I'm I afraid,  
'cause you are with me 'till the grave.  
I am secure and unashamed  
'cause my god will never fail

All about me is my fear  
Mine enemies are pressing near  
I know there'll be no doubting here  
'cause your love is infinite.  
Oh yeah.

Whatever you think is love  
His love is infinite  
Whatever you think is peace  
His peace is infinite  
Whatever you think is goood  
Whatever you think is riiight  
Whatever you think He is  
He is infinite

Hoowaheewahoo

All my people gather 'round  
The Holy Ghost is coming now  
Just like an angel dressed in light  
Gonna need to shade your eyes.  
Gonna need to shade your eyes

But don't you ever close your ears  
Close your ears  
And don't you ever shed a tear  
Shed a tear  
Just open up your heart in mine  
'cause His love is infinite  
Love is infiniiiiiiiiiiiiite

Whatever you think is love  
His love is infinite  
Whatever you think is peace  
His peace is infinite  
Whatever you think is goood  
Whatever you think is riiight

Whatever you think He is  
He is infinite
