Kevin McCall

K-K-K-K-Mac

[Swizz Beatz]

Get fresh baby this is your song (right)
Put your good shoes and
your lipstick on (this what you need)
Get fresh, baby (huh)
This your song
You said you wanna freak
I'm gonna give you what you want (this what you want)

[Kevin McCall]

Whole lotta of sex
Whole lotta of liquor
Whole lotta of chicks
Not a lot of niggas (right)
Not enough to party
To celebrate the bitches
Sexy model misses, ass like delicious
Now she my main chick,
She got that good shit
Head game is vicious
So I call her siick
G-Girl you better be careful
Bragging on the dick
Now your friends wanna sample
Fucking sixty nine, six nine six
I'll be the nine botha ya'll the six
You go both ways, well get a load of this
Beat it so hard now she gotta take a piss
Then you-then you can't even walk in the morning
Go to work yawnin, pussy still leakin' like a faucet (damn)
Yeah, now ya girlfriends on me
Ain't no fun if you don't share with your homies

[Chorus - Chris Brown]

I make you run and tell your friends
How freaky I'm Iz
I make you run and tell your friends
How freaky I'm Iz
I make you run and tell your friends
How freaky I'm Iz [x3]

I'm gon' have you telling all the business
About the way that I be giving you the business
I make you run and tell your friends
How freaky I'm Iz [x3]

Now my jeans come down
The skirt's comin' up
Put her phone to the side
She feel it in her guts
Ass in the air
Fucking up your weave
Pulling on your hair, baby
Let me hear you scream
This swipe game mean I make a bitch cry

I'm licking from you lips to your tits, to your thighs
Throw you on your side I'm working out the kinks
have you sweatin out the sheets
Girl you fucking with a freak
She told you I am a beast
Well she ain't never lied
I could groom both o ya'll at the same time
Taking that pussy - bitch this is mine
Throw that shit back, put an arch in ya spine
I never waste time, but I ain't in a rush
Hit it like a champ, I beat the pussy up
He give ya love taps - I beat the pussy up
got her telling all her friends how the kid do her stuff

[Chorus - Chris Brown]

I make you run and tell your friends
How freaky I'm Iz
I make you run and tell your friends
How freaky I'm Iz
I make you run and tell your friends
How freaky I'm Iz [x3]

I'm gon' have you telling all the business
About the way that I be giving you the business
I make you run and tell your friends
How freaky I'm Iz [x3]
