Giddy giddy go, giddy giddy, show me how it feel like if I hit it  
Nah, we ain't worry bout none of these bitches  
I just wanna stand back and watch you hit it  
Now get it get it

(Verse)

Young girl, when you came from, chicks like you, it ain't none  
I know you hurt, I got a whole lot of girls, but you betta be my main one  
So get yo ass ova there, choose it  
Give yo home girl the deuces  
Come ova to my table, grab a shot of this and you gon' loose it  
What you say yo name was, wop, now I remember  
The way yo body sittin' in that dress, got my mind all mixed up  
She movin' like a stripper, oh, I might just get down  
Everything and all she want from me's behind my zipper  
Nah, I ain't ready to leave yet, she's bout to give me a preview  
Pussy kills my fingers, but yo dress is see-through  
Nah, I ain't ready to go yet  
I just bought a bottle  
When I got my hands on her feel like I won the lotto

(Interlude)

Gone and back it up and drop it to the floor, girl  
I don't see nobody, you be totally off, girl  
The way you move yo body and pull in on me, girl  
It's all I need, girl, first I gotta see ya

(Hook)

Giddy giddy go, giddy giddy, show me how it feel like if I hit it
