

# High Remix

Kevin McCall

[Intro:]

Let me take you higher baby,  
Let me take you higher baby

[Verse 1:]

I think it's going down, down, down, down, down  
Think I want you now, now, now, now  
Booty round, swisher brown  
The kind you wanna smoke for a day  
I'm addicted, so let me hit it  
Coming through to get a taste

[Chorus:]

Girl I'm a take you high, high, high  
Higher than you've ever been  
Take your body for a ride, high, high  
Higher than you've ever been  
High, just one hit will get you right  
And I ain't even playing  
When I tell you jump, you say how high, high  
Higher than you've ever been

[Verse 2: Tank]

Ok, I'll have you smuggling eight keys a night  
Oh it ain't the same, no, no, no  
Baby you gone chase this high for life  
I got your supply, I'm your pusher  
I'm one hitter quitter killer  
Have brown sugar  
If you try to leave me you gone realize that you need me  
Sweating, shaking on the floor

[Chorus:]

Girl I'm a take you high, high, high  
Higher than you've ever been  
Take your body for a ride, high, high  
Higher than you've ever been  
High, just one hit will get you right  
And I ain't even playing  
When I tell you jump, you say how high, high  
Higher than you've ever been

[Verse 3:]

Put ya pretty lips on it, and don't be shy  
I'm a hit it more, than a couple times  
Promise I'm a blow your mind  
Break it down, spread it out, and roll another one for later, later  
One day on that oowie got my woozy baby  
Girl you know that booty lookin' crazy

[Chorus:]

Girl I'm a take you high, high, high  
Higher than you've ever been  
Take your body for a ride, high, high  
Higher than you've ever been  
High, just one hit will get you right  
And I ain't even playing

When I tell you jump, you say how high, high  
Higher than you've ever been
