

# Someday At Christmas

Kevin McCall

Someday at Christmas  
Boys won't be boys  
Playing with bombs like kids play with toys  
When one December all shall see  
A world where men are free

Someday at Christmas  
There'll be no war  
We will know what Christmas is for  
When we find out what life is the worse  
There'll be peace on earth

Someday all our dreams will come to this  
Someday the world where all men free  
In a night a time for you and me  
Someday at Christmas time

Someday at Christmas  
We will see a man  
Who knows all the children and no empty hand  
One happy morning when people will see  
A world with people who care

Someday at Christmas  
There'll be no tears  
All men are equal, knowing how it feels  
One shining moment one prayer away  
For our world today

Someday all our dreams will come to this  
Someday the world where all men free  
In a night a time for you and me  
Someday on Christmas time

Someday at Christmas  
They will not feel  
Things will be gone, love will be there  
Someday we'll know that we can start  
These ordinary hearts

Darling and all that is true  
Comes from another truth  
On this day and Christmas Eve  
Nobody knows it's you  
Under the mistletoe  
Standing right next to you

Standing right next to you
