

# Sweetest Joy

Kevin McCall

It's K Mc, bitches!  
Ohhh, yeah  
I'm balling like somebody threw a...  
So much paper, I think I need a secretary  
I'm filthy fucking rich, this can't be sanitary  
Money tossing, you know I had a hell of a...  
You can hear it in my vocabulary!  
And I live for the money  
I need it more than a blunt from my vocabulary  
I got a whole lot of ice and a whole lot of cash  
Who everything around me call it...  
I die for the money!  
Real ass niggas, never lie for the money  
...in my face, but it won't be funny  
When the goon went for your balls half for the money  
Real recognize real, you don't know me, nigga  
Time is money, spent the century on a roly nigga  
Cause you gotta watch this bitch, and now these conniving niggas!

Hook:

Some of these niggas think I'm playing for the pussy  
Getting the finger, but I ain't palying with your pussy  
I ain't a killer, but don't push it  
Getting money is the sweetest joy of getting pussy!  
I ain't a killer, but don't push it  
Getting money is the sweetest joy of getting pussy!  
I ain't a killer, but don't push it  
Getting money is the sweetest joy of getting pussy!

I'm balling like somebody through an alley, oh  
Going broke is probably something that I'll never do!  
Fall in love with the pussy, that's real too  
I drop the top and I.. out and I salute, at-cha!  
I'm solo, take money won't fall on  
Car so pretty, I'mma have to put a roll on it  
Fuck them niggas that total on me  
Go rolling, new pussy, fall on it!  
Turn it out, turn it on, remote control, homie!  
They go suicide, tell them, □let's ride!□  
Eat the pussy, get them wet, I'mma scuba dive!  
You got some nerve, nigga, rookie night  
If the bitch wanna fuck, I tell her get in line!
