

# Vowels

Kevin McCall

[Intro:]

Show me what your name is  
Let me spell it with my tongue  
Do that shit on incursive bet I, bet I make you cum  
My sex game is like Novocain, bet I leave it numb  
Bet I make you cum, bet I, bet I make you cum

[Verse 1:]

Oh, she said I keep her warm in the winter, winter  
And take away her lonely nights  
Just hold on, baby, sit back and enjoy the ride  
I don't need you to say a word at all  
I just want to hear you scream  
I'm a make it worth it all

[Pre-Chorus:]

She know I'm going in, but she try to hold it in  
She knows she's about to go off, off, off  
She knows she's soaking wet, she's dripping in my bed  
She's about to go crazy, yeah, yeah!

[Chorus:]

Have her screaming out the vowels like  
A A A A A E O U  
Have her screaming out the vowels like  
A A A A A E O U

Uh, uh, uh watch when I put this grown man on you!  
You gonna be like, baby  
And you're going so deep!

[Verse 2:]

But I'm a go deeper!  
I'll be killing that shit  
Girl, I got that ether,  
That ether, have you speaking in tongues like a preacher, amen  
Girl I hope you're ready I'm bout to go in  
If you can't take it all, then say when  
I'm a find her spot, I don't say,  
Shawty try to hold it back, but she

[Pre-Chorus:]

She know I'm going in, but she try to hold it in  
She knows she's about to go off, off, off  
She knows she's soaking wet, she's dripping in my bed  
She's about to go crazy, yeah, yeah!

[Chorus: x2]

Have her screaming out the vowels like  
A A A A A E O U  
Have her screaming out the vowels like  
A A A A A E O U

[Outro:]
