

# Ghost

Kevin Michael

I Started Out At The Top Of Your List  
And Now This  
Come On  
Its Real Funny How  
The Thing You Use To Run To  
Becomes The Thing That Haunts You

The Future Meets The Past,  
I Size Him Up Real Quick Then In A Flash,  
Im The Same Guy Who Made You Laugh  
Now I Make You Mad

He's The One You Choose  
How Did I Get Things So Confused  
I Thought That I Had That I Got To Get It Back  
But Now I Got It Bad, Yea

I Really Wanted You  
Now The Sound Of My Voice Is Gonna Haunt You  
Picked Him But I Was The One Who Loved You The Most  
Instead Our Love Is Dead And Im Nothin More To You Than A

Ghost  
Passed Right Through Me  
Heartbroken I Know You Can See Right Through Me  
I'm In Hell Cause Heaven Was So Close  
But Instead My Love Is Dead And Im Nothin More To You Than A Ghost  
I'm A Ghost  
Mr. Invisible  
So Hard To Let It Go  
I'mma Ghost  
He Wins And I Loose  
Baby I'll Be Missing You  
I'mma Ghost  
Oo Oo Oo Oo Oo

And I Love Her Even More  
But Im Stuck On The Otherside Of The Door  
And She Can't Hear Me, She Can't Feel Me  
Same Thing As Demi Moore  
Divided What We Had  
Add The New Man, Do The Math  
Wish I Could Work It Out

But It's Over Now, I Gave It All I Had

You Know How Much I Wanted You  
Now The Sound Of My Voice Is Gonna Haunt You  
You Picked Him But You Knew That I Loved You The Most  
Instead Our Love Is Dead  
And Im Nothin More To You Than A

Ghost  
Passed Right Through Me  
Heartbroken I Know You Can See Right Through Me  
I'm In Hell Cause Heaven Was So Close  
But Instead My Love Is Dead And Im Nothin More To You Than A Ghost

I'm A Ghost  
Mr. Invisible  
So Hard To Let It Go  
I'mma Ghost  
He Wins And I Loose  
Baby I'll Be Missing You  
I'mma Ghost  
Oo Oo Oo Oo Oo

You Cant Just Expect Me To Not Want To Be On Your List  
And You Can't Just Expect Me To Get Over The Warmth Of You Kiss  
You Can't Be Serious Or Furious  
He Has The Woman I Love The Most  
What I Can't Have, Hard To Relax Thats All You Have When Your A

Ghost  
Passed Right Through Me  
Heartbroken I Know You Can See Right Through Me  
I'm In Hell Cause Heaven Was So Close  
But Instead My Love Is Dead And Im Nothin More To You Than A Ghost  
I'm A Ghost  
Mr. Invisible  
So Hard To Let It Go  
I'mma Ghost  
He Wins And I Loose  
Baby I'll Be Missing You  
I'mma Ghost  
Oo Oo Oo Oo Oo
