

Love Letter

Kevin Michael

This is a letter that I've been meaning to write to you (no, no, no)
To the one I love the most; this is my song to you...

See there was a time in my life when the love I had for you was steady growing everyday
But now it's like,
Love slipped away from us and we can't get it back on track
You can tell when you're talking back
I wanna tell you exactly how I feel but every time I open my mouth,
Words don't come out right, so I
Sat down and wrote it down, with a piece of paper
Hopefully you'll see it and you'll read it a little later

L-O-V-E L E double T E R
Sent from my heart, I mean my H-U-R-T
Give you my love, my love letter, I wanna give you my
Love letter, love, I love ya, love ya, love ya
(2x)

So where do you go when the house you made your happy home
Just for two ain't so happy anymore
Come on baby, let's see you and me
Know well as I do that's not how it's supposed to be
If I could you know I would, turn back the hands of time
In our relationship, go back to when things were fine
How I wish that it would just get better
Instead of sitting here writing this damn letter!

L-O-V-E L E double T E R
Sent from my heart, I mean my H-U-R-T
Give you my love, my love letter, I wanna give you my
Love letter, love, I love ya, love ya, love ya
(2x)

This is our last chance to save what we have damaged baby (aww yeah)
There's no point in letting go, 'cause I still feel for you
And I wanna tell ya, you're all a man could ask for
Girl, I promise that we'll make it work
Girl, give me this chance to be
This is my love letter girl, yeah

L-O-V-E L E double T E R
Sent from my heart, I mean my H-U-R-T
Give you my love, my love letter, I wanna give you my
Love letter, love, I love ya, love ya, love ya
(3x)
Love, Love, Love...
