

I Belong to You (LANY)

Kevin Rudolf

Yeah into LA into NY
Baby you're the one that I'm looking for
Into airplane, into town car
You're the only one who can take me far
I go anywhere, just to be with you
Hope to see you there, I believe in soon
So I come around, think I know why
You're the only one taking to the sky

I will tell you lies I will tell my soul
I'll follow you to the end of the road
And I don't know why I just can't let go
I belong to you

Oh oh oh oh oh oh oh.

Into LA into NY
You're the only one, kiss me something more
Into into Tokyo
Tell me where you been I just gotta know
You've been running wild even hard to see
I was using you, you were using me
When I come around and you know why
You're the only one taking to the sky

I will tell you lies I will tell my soul
I'll follow you to the end of the road
And I don't know why I just can't let go
I belong to you

Oh oh oh oh oh oh oh. Oh oh oh oh

Oh that goes the sunshine
And I am driving through the rain
Gotta make it through just to hear you say it too
I belong to you. I belong to you

I will tell you lies I will tell my soul
I'll follow you to the end of the road
And I don't know why I just can't let go
I belong to you.

Oh oh oh oh oh oh oh.
