In the City

Kevin Rudolf

Every day I'm a star in the city
Walk the streets like a wanted man
All the time got my shine looking pretty
Motherfuckers all know who I am
Every day feel the heat in the city
Like the barrel of a smoking gun
Read the signs, see the lights – they're so pretty
You're the one now turn me on
(Hey) give it all up for me
(Hey) give it all up for me
(Hey) give it all up for me
Every day I'm alive in the city
She's a fire that lives by the sun
On the street looking fine, looking pretty
She sucks the heat off my – gun
I will eat you alive in the city
While they pull up in fancy cars
Drinking wine, wasting time, you are pretty
Politicians, movie stars
(Hey) give it all up for me
(Hey) give it all up for me
(Hey) give it all up for me
City boy life
(Hey) give it all up for me
(Hey) give it all up for me
(Hey) give it all up for me
City boy life
Fine wine, fast cars, true lies, dark flaws
Every day I'm a star in the city
Walk the streets like a loaded gun
All the time, got my shine, looking pretty
Everybody now turn me on
(Hey) give it all up for me
(Hey) give it all up for me
(Hey) give it all up for me
This motherfucking life
(Hey) give it all up for me
(Hey) give it all up for me
(Hey) give it all up for me
City boy life
