

No Way Out

Kevin Rudolf

All the train came trippin thru the station
This mad hatter he was beaming at me
You cool cat
You think that you kno me
I'm not the same person that I used to be
Your cards dealt your playing them wrong boy
And there's a few things that you need to kno
I took the elevator up to the top
And I followed that rabbit all down the hole

I told my self I belived it
But who was I kidding
Out of these eyes I could see it
But it's all a lie the end is near I can feel it
Ya it's comin around but know
there's no doubt it's settled
And there's no no way out no way out

Switch got me caught up in a twister
I'm skipping all down that yellow brick road
I said to the tin man sorry can't help ya
They ripped my heart out long time ago
And now I'm feeling like the cowardly lion
I wanna break out but I'm paralyzed
The yellow bricks led me staright to the wizard
He said it's all your state of mind

I told myself I believed it
But who was I kidding
Out of these eyes I could see it
But it's all a lie
The end is near I can feel it
Ya it's comin around
But now there's no doubt it's setteled

And there's no no way out
And there's no no way out
And there's no no way out
And now there's no doubt it's settled
And there's no no way out
No way out ya oh oh oh

I told myself I believed it
But who was I kidding
Out of these eyse I could see it
But it's all a lie
The end is near I can feel it
it's comin around and now there's
no doubt it's settled
there's no no way out
