

You Make the Rain Fall

Kevin Rudolf

You Make the Rain Fall
Cause you're so beautiful that it's painful
Yea you told me that you were an angel
But I already know what you came for
You Make the Rain Fall

Well your eyes are so deceiving
Deadly as a loaded gun
Your words are so misleading
You tell me I'm the only one
And it feels so good tonight
But it gets me every time
And I know I'll never change my ways
But every single night I pray

You Make the Rain Fall
Cause you're so beautiful that it's painful
Yea you told me that you were an angel
But I already know what you came for
You Make the Rain Fall

Hey, this girl makes the rain drop
Giving me pain in the same spot
Go in my pockets, my wallet, I got it
She getting my dollars the same guap
Umbrellas lit up on the same block
The weather keeps going this dame's hot
Lil mama handle herself on the pole
I can throw some more fish off the same dock
Clouds over my head, thunderin', lightin',
She's flushin' for
She's makin' a storm I'm already prepared
Who do I want cause I cut the checks
Shawty she's more than Jacuzzi with jets

It's about the drizzle I walk on the set
I got the bar girl I'm telling you

You Make the Rain Fall
Cause you're so beautiful that it's painful
Yea you told me that you were an angel
But I only already know what you came for
You Make the Rain Fall
You Make the Rain Fall
Cause you're so beautiful that it's painful
Yea you told me that you were an angel
But I only already know what you came for
You Make the Rain Fall

And I want you bad,
So I stand in line
You tell me the lies to keep me up all night
And I don't even know your name
But every night I pray

Yeahhhhhh

You Make the Rain Fall
You Make the Rain Fall
You Make the Rain Fall

Cause you're so beautiful that it's painful
Yea you told me that you were an angel
But I only already know what you came for

You Make the Rain Fall
You Make the Rain Fall

Ohhhhh
You Make the Rain Fall

Ohhhhh
You Make the Rain Fall

Ohhhhh
You Make the Rain Fall
