

I'm Already Loving You Too Much

Kevin Sharp

When it comes to love I've had my doubts
But when you walked in my heart checked out
And like a schoolboy crush
I knew it when we touched
I'm already loving you too much

Mind and body, heart and soul
You came in and took control
And, oh what a rush
This is powerfull stuff
I'm already loving you too much

Too much, I'm already falling too fast
Too much, It's too late for me to turn back
I can't stop this love that we've started

Too much, I'm already falling too fast
Too much, It's too late for me to turn back
I can't stop this love that we've started

Who knows where I'll go from here
I'm too far gone to see it clear
So my heart I'll have to trust
And hope that it's enough
'Cause I'm already loving you
There's nothing left for me to do
I'm already loving you too much
Already loving you too much
