I'm Already Loving You Too Much

Kevin Sharp

When it comes to love I?ve had my doubts But when you walked in my heart checked out And like a schoolboy crush I knew it when we touched I?m already loving you too much

Mind and body, heart and soul You came in and took control And, oh what a rush This is powerfull stuff I?m already loving you too much

Too much, I?m already falling too fast Too much, It?s too late for me to turn back I can?t stop this love that we?ve started

Too much, I?m already falling too fast Too much, It?s too late for me to turn back I can?t stop this love that we?ve started

Who knows where I?ll go from here I?m too far gone to see it clear So my heart I?ll have to trust And hope that it?s enough 'Cause I?m already loving you There?s nothing left for me to do I?m already loving you too much Already loving you too much
