

Hello, Young Lovers

Kevin Spacey

Hello, young lovers whoever you are.
I hope your troubles are few.
All my good wishes go with you tonight.
I've been in love like you.
You, be brave, young lovers, and follow your star
Brave and faithful and true.
And cling very close to each other tonight.
I've been in love like you.
And I know how it feels to have wings on your heels.
And to fly down the street in a trance.
You fly down the street on a chance that you'll meet.
And you'll meet, not by chance.
Don't cry, young lovers, whatever you do.
Say don't cry because I'm alone.
All of my wishes go with you tonight.
I had a love of my own.
And I know how it feels to have wings on your heels.
And to fly down the street in a trance.
You fly down the street on a chance that you'll meet.
And you'll meet, not by chance.
Don't cry, young lovers, whatever you do.
Say don't cry because I'm alone.
All of my memories are happy tonight.
I've had a love of my own. Hallelujah
I've had a love of my own, like yours.
I have had a love of my own.
