

A Different Me

Keyshia Cole

Make me over
Ready to Love and To Give and To Hate
Yeah oh
Make me over Make me over make me nice
And when you done oh I wanna look fly
Make me expensive make me high price
And when you done oh I wanna be right
Yeah come on baby show me what you got
Keep saying you can take me to the top
Where almost there so baby don't stop don't stop
Total make me over
Make me over, I wanna be made over I wanna see some places I ain't never seen before I wanna see some faces I ain't never seen before
I'm bright as the stars so make me brightier
I'm already the shit baby so make me better
Yeah come on baby show me what you got
Keep saying you can take me to the top
Where almost there so baby don't stop don't stop
Total make me over
Make me over, I wanna be made over Make me over Now when I tell you to break it down
Break it down
Doll me up hey
Make me real pretty
Doll me up
Make me look good
Make me over, I wanna be made over Ding ding ding ding ding Come on
Come on make me over
Baby make me over
I wanna look nice now
I wanna look real pretty
I wanna look jazzy
Make me all better
