

# Give Me More

Keyshia Cole

Never thought you'd be the one to play games the way you did  
I gave my heart away to you, never thought you'd leave the way you did.  
You ment the world to me, how could you just let me breath,  
Let me go away from you, let me be alone.

and you never lied to me baby, you said you'd always be around (be around)  
now i need more

(Give me more)  
Ooo what you do for me, Ooo what you do  
(I want more)  
Ooo what you do for me and Ooo what you do  
(I need more)  
Ooo what you do for me, Ooo what you do  
(Give me more) Give it to me everyday  
I need you in everyway

So don't stop the way you love me (the way you love me)  
i don't want to look no more (I don't wanna look no more)  
take me in ur arms, understand I'm all for you  
untill the end of time (end of time), baby you'll be mine Oooo-ooo-ooo

and you never lied to me baby, you said you'd always be around (be around)  
now i need more

(Give me more)  
Ooo what you do for me, Ooo what you do  
(I want more)  
Ooo what you do for me and Ooo what you do  
(I need more)  
Ooo what you do for me, Ooo what you do  
(Give me more) Give it to me everyday  
I need you in everyway

when did you fall when did it all just go away (go away)  
when you said that we would never ever see the day (see the day)  
I wouldn't want to be without you and your love (and your love)  
I thought we'd always be together

and you never lied to me baby, you said you'd always be around (be around)  
now i need more

(Give me more)  
Ooo what you do for me, Ooo what you do  
(I want more)  
Ooo what you do for me and Ooo what you do  
(I need more)  
Ooo what you do for me, Ooo what you do  
(Give me more) Give it to me everyday  
I need you in everyway

La Di da.....La di da daaa  
La di daaa...(Give me more)  
Give it to me everyday, I need you in everyway
