

# I Changed My Mind

Keyshia Cole

You know who you are  
Yea you

Kanye West on the track by the way

Yea...  
No, No

There's this girl I know  
so deep in love (in love)  
Do almost anything  
to make him see she's the one  
but he doesn't feel a girl like her  
He's so, so wrapped up  
Cause the average girl  
will give him anything he wants

He's so caught up  
He won't call her  
He shows no love  
So she decides

I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time

It's the funniest thing cause I  
know how I feel inside  
but you never felt the same as I  
(never, never, never, ohh)  
I miss him so much  
I bet you don't even notice  
and he don't even realise  
Cause he...

He's so caught up  
He won't call her  
He shows no love  
So she decides

I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time

I'm so over you  
got no more to give  
I gave it all to you  
and you couldn't handle it  
and I don't care  
if you come back to me on your knees  
I just don't love you no more

I changed my mind  
I don't love you  
I don't love you no more

Don't waste my time

Stop

What you thinkin'  
When you see me on the corner  
and you see me hagin' out  
Niggas on the block  
don't care what it's all about

And stop

What you thinkin'  
when you see me comin through  
and you see me with a nigga  
on the corner til' 2
