

# Never

Keyshia Cole

You're telling me were cool but that just aint enough  
'Cause everything that you do makes me want you more  
Feeling that I have for you cant be replace easily  
But you seem to think that you have the best of me

My love is closed for you  
Let nobody enter  
Even when I'm with someone aint the same when I'm with ya  
Please tell me that you're listening  
Please tell me that you're hearing me  
'Cause I'm gonna be here always

Even if you give me all your love  
Even if you give me all your kisses  
It will be never (never too much) (2x)

Give me all your love never too much

I know that baby if it's meant we'll be  
But everytime I see you boy ooh what you do to me  
Make my body shiver lips quiver when I say your name  
Loving you is like an emotional ride  
Dare to stay?

My love is closed for you  
Let nobody enter  
Even when I'm with someone aint the same when I'm with ya  
Please tell me that you're listening  
Please tell me that you're hearing me  
'Cause I'm gonna be here always

Give me all your love never be too much

I don't give a f\*ck about the money in the bank you got  
Love you the same even if buying me trinkets stop  
Got my heart in your hands and I think you know  
Can't put a price on my love and the way you grow  
I think I melt inside when you look in my eyes  
Baby all I see in you f\*ck them n\*ggas who try  
Don't ever worry bout my loyalty  
Try the others and I'm cool cause you treat me like I'm royalty  
Been through the bullsh\*t  
Been through the games  
Been through the telephone arguments  
With nothing a\*\* dames  
On 'em crazy days you help me maintain  
Sometimes I think your love be keeping me same  
Never worry daddy I aint never going nowhere  
Whatever happens best believe I'll be staying right here  
I need your kisses and i need your touch  
Don't ever think I had it all cause its never too much

Give me all your love, never be too much, give me all your love  
Never too much repeat (3x)

Even if you give me all your love  
Even if you give me all your kisses

It will be never (never too much) (2x)

Don't matter if you're rich or poor baby  
I never wanted anybody more baby
