

Diamonds ain't gon' last so long  
The good started feel wrong  
I can't believe it ended so fast

Tell me, you been doin' me so wrong  
And I been puttin' up waitin' fo' so long  
The minute I say I'm leavin' you wanna try to get me all of the  
se fancy things

But baby diamonds ain't gon' work this time  
Money ain't gon' help, oh no  
And the good dick just don't feel the same  
It's such a shame (such a shame) endin' this way

I'm tellin' you that you can go  
Cuz I ain't puttin' up wid it no mo'  
Ill, I try to stay and work it out  
But you don't really wanna be here no  
(I'm on that new shit)

But baby diamonds ain't gon' work this time  
Money ain't gon' help, oh no  
And the good dick just don't feel the same  
It's such a shame endin' this way

I know you get cause, you're seein' anotha  
There's no more love, it's left  
And I know ya got hoes, you're ballin', it's easy  
But please believe it's nothing to me, okey

Diamonds ain't gon' work this time  
Money ain't gon' help, oh no  
And the good dick just don't feel the same  
It's such a shame endin' this way
