

## Situations

Keyshia Cole

Hey, she can't love you like I love you  
Started really simple  
Coming through cuz I missed you, and I couldn't wait to kiss yo  
u  
I tried to play shy a little, but not trying to move fast but n  
ot too slow  
Because I know, you're the kind of guy, I see you already got m  
e

She could never be-oh no  
Half as good as me, let me show  
You know what I mean, cuz I'm the real thing and I got to have  
you  
Been here by your side, living for you day and night  
I don't understand why you're not my man but  
I should be your girl

I'm falling in love again, god damn we kissed again, it went a  
little bit further than  
I'm falling, oohh  
I thought this boy was just a friend, I need my baby here  
Cuz can't nobody love me like he can

And now it's late now no talk, conversations on the phone getti  
ng sparked  
I'm about to jump in my car, and come and see you  
I'm holding back I miss you, I'm letting go tonight  
Oh, and baby I need you, and nothing can stop me, we're too clo  
se now

Everything you do, got me crazy over you , I cant stand the fac  
t, that she is always on your back so  
what's up  
What you going do, cuz I'm really feeling you, oh yeah  
And boy I need to know, if you think that I should be your girl

I'm falling in love again, god damn we kissed again, it went a  
little bit further than  
I'm falling, oohh  
I thought this boy was just a friend, I need my baby here  
Cuz can't nobody love me like he can

She can't love you like I love you

Dang shorty I got my mind on my money and the hood got me tied  
up  
Plus my baby momma keep me fired up, these other broads probabl  
y get me wired up

But a fly nigga could see that you a rider, that's how you got  
me creepin' and crawlin'  
deep into a bawl six in the morning, we in the zone deep then w  
e all in,  
trying to get it on then the b\*tch keep callin' (I need you) An  
d she be killing it though, I see you  
trying to fight it but you feelin' me though  
Look, I'm feeling you right back, I'm gonna pick you up in the  
back I know you like that
