

# Trust and Believe

Keyshia Cole

When we were together, I held you down  
I gave you all of me, but look at us now  
Thinking of all your excuses, but they don't add up  
Now it's so easy to see you don't deserve my love

You pushed me far...you brought me to this  
You had my heart...but then you blew it  
And I'm so over you, go get lost  
Boy who do you think that you are

Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know  
Who do you think that you are?

You look so foolish  
With my best friend  
And she ain't no better than you  
She's a 3, I'm a ten  
So why are you calling my phone  
You ain't got nothing I want  
Thought we were really in love  
But that was all a front

You pushed me far...you brought me to it  
You had my heart...but then you blew it  
And I'm so over you, go get lost  
Boy who do you think that you are

Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know  
Who do you think that you are?

How dare you try to clean it up  
Boy please just stop it now  
Don't make a sound  
Cause you

You pushed me far...you brought me to this  
You had my heart...but then you blew it  
And I'm so over you, go get lost  
Boy who do you think that you are

Believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know  
Who do you think you are?

I'm so over you  
Go get lost

Who do you think that you are?
