

# You Complete Me

Keyshia Cole

Can you hear me out there?  
Have you ever had someone who loved you  
Never leave your side?  
I know you'll be here because you love me, yes, you do

I'm givin' all my life and all my love if you  
Promise me that you'll be here forever  
I'll give you all of me, I'll give you everything  
If you promise me you'll never leave me

What my friends say don't matter  
You'll be right here from the start  
And I'll get on my knees, I'll give you all of me  
If you never leave my side, because

You love me, you complete me  
You hold my heart in your hands  
And it's okay 'cause I trust that  
You'll be the best man that you can  
Baby, you love me, yeah, oh yes, you do, yeah

And no matter what they ever say about you  
I'm gonna stay by your side  
Promise me no matter what they say about me  
That you're gonna be here until the end of time

'Cause you held me down when nobody was around  
And gave me all the love I need  
So give me more, don't you ever leave  
'Cause you complete me

I know, you love me, you complete me  
You hold my heart in your hands  
And it's okay 'cause I trust that  
You'll be the best man that you can

'Cause you, give me my heart back  
Give me my love back, baby  
I want it all because it's never enough  
Give me my heart, give me my love back  
I want it all because it's never enough

You love me, you complete me  
You hold my heart in your hands  
And it's okay 'cause I trust that  
You'll be the best man that you can

You love me, you complete me  
You hold my heart in your hands  
And it's okay 'cause I trust that  
You'll be the best man that you can

And it's okay  
I know you do, I know you do  
Yes, you do, I need you, too  
Yeah, I love you, baby, ohh
