

## Functional

Keziah Jones

Emotion on my kitchen floor  
Func-tional  
Tell me what youre dying for  
Func-tional  
I heard traffic sounds in ma head  
Func-tional  
When i made that call and caught you dead  
Func-tional

All you smiling frowns clock me

See you in heaven ma baby  
Func-tional  
Even the angels say yeah  
Func-tional  
Were running out of time babe  
You can be yourself as long as youre mine

All you smiling frowns clock me

Were running out of time  
You can be yourself as long as youre mine
