

Functional

Keziah Jones

Emotion on my kitchen floor
Func-tional
Tell me what youre dying for
Func-tional
I heard traffic sounds in ma head
Func-tional
When i made that call and caught you dead
Func-tional

All you smiling frowns clock me

See you in heaven ma baby
Func-tional
Even the angels say yeah
Func-tional
Were running out of time babe
You can be yourself as long as youre mine

All you smiling frowns clock me

Were running out of time
You can be yourself as long as youre mine
