

# Rhythm Is Love

Keziah Jones

If I try to take you there, would you come with me?  
The reason flies, the fear is scare, the ocean loves the sea  
If I try to take you there, would you come with me?  
The reason flies, the fear is scare, the ocean loves the sea  
Rhythm is love  
Heaven is just another world  
For the feelin called  
Musical

Color is lust  
Because all of the sexual "thangs"  
We do  
In my mind  
I trust you make em all colorful  
I'd like to put you  
In such a romance

Take you down  
To paris, france  
Leave the café and the bars  
Walk the wintry boulevards  
Is that a smile I see ?  
Well, maybe your not even  
Looking at me  
Cuz if you smile for no reason

The season is lost  
But if your love is the rhythm  
Ma rhythm is love  
Chorus  
Ma rhythm is love  
Coming at you  
Just like this!
