

Run Away (slavery Days Are Over)

Keziah Jones

What is beauty?
To me
To you
What is loneliness?
A caress?
A test?
For who?
The mind is freakin'...
Peakin'...
For someone...
My color's leakin'
My thinkin' is blue

Slavery days are over
I'm free
Free like you
Runaway
With me
Through the trees
Let the leaves hear us!
