Keziah Jones

Pain is a river
love is a stranger walking around
too many eyes make you shiver
like some nigger-priest in lost and found
heard nelson got a new job
50% for shifting black coal
i hear D.K is an awesome shot
50% for shifting white power
stabilah!
ive been too late
in telling you my story
once upon a time....
but i forgot i wrote it
stabilah!
