

# Hopeless

Khalid

Spend my time worrying of broken promises  
Focused on the smell of all the burnt out cigarettes  
My thoughts play on repeat, only comfort that I keep  
'Cause in a moment I'll be something you will forget

Hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blown blown blown

Now tell me was I ever something that you could regret  
I know I wasn't the one for you, but at least I tried my best  
Surrounded by questions like, "Why'd you two part ways?"  
But if my memories right, you're the one that left

I'll be hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blown blown blown

Yours to lift me higher  
But I guess our time's expired  
I'm giving you the match  
Set our love on fire

Hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blown blown blown

Now tell me was I ever something that you could regret  
I know I wasn't the one for you, but at least I tried my best  
Surrounded by questions like, "Why'd you two part ways?"  
But if my memories right, you're the one that left

I'll be hopeless hopelessly romantic  
You, you got me stranded  
Ooh, I'm blown blown blown

Ooh yeah, I'm blown blown blown  
Yeah, I'm blown blown blown
