

You should walk away with me  
In your heart  
Keep me in your mind  
You don't have to speak  
Of our past, just  
Keep me in your life  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Keep me alive  
Ohhhhh  
Nooooo  
Ohhhhh  
Nooooo
