Khanate

i was...  
not worth knowing  
visible awful but not seen  
alone always forever - beauty opposite  
transparent hear me - listen - right here

i was...  
kept walking awful unnoticed  
beauty opposite - alone  
island stay off  
wait... someone

sink alone not seen  
it was time - end  
it was time - end

i was...  
visible awful but not seen  
alone always forever - beauty opposite  
transparent see me - right here

i was...  
kept walking awful unnoticed  
beauty opposite deserted - alone  
island stay off  
wait... someone wait

sink alone not seen  
it was time - end  
it was time - end

could have stopped it

Dead.
