

## Pieces of Quiet

Khanate

Under a bed, a leg and a saw, red teeth gnaw  
No more whine, no more whine, quiet time  
No more whine  
Metal teeth red, red teeth gnaw, leg and saw  
Under a bed, a leg and a saw, red teeth gnaw  
Silence, while I strip - bones (gnaw, so quiet)  
Dark - and quiet, we go...into quiet time  
No more whine  
...your bones...
