

Pieces of Quiet

Khanate

Under a bed, a leg and a saw, red teeth gnaw
No more whine, no more whine, quiet time
No more whine
Metal teeth red, red teeth gnaw, leg and saw
Under a bed, a leg and a saw, red teeth gnaw
Silence, while I strip - bones (gnaw, so quiet)
Dark - and quiet, we go...into quiet time
No more whine
...your bones...
