Been a bad girl, ive been a bad girl (ive been so damn bad)

[Verse 1]

Ive been a bad girl, so when you see me betta beat me in the bed
if i cant take it bay put it on me anyway,
lets have a love fight, maybe act right for the rest of the night
talk to me baby, rough sex, tell me how it feels
when you put it in ya mouth, oh boy you know what im bout
just go downtown, the deep south (oww)
fuck me like you mad at me, im falling off the bed
from the pleasure and the pain, i have to beg you to stop
but you cant stop, you wont stop (oww)
i love bad ones and they love me cause im bad to the bone,
put it on me, act bad when you make me moan
give it to me how you like it baby, fast or slow
(ooooohh, so damn bad).

[Chorus]

Pin-pin-pin-pin-pin me down, lock me up
ive been a bad girl and now its time to
punish me, love on me
show me just how bad you are,
ive been a bad girl and now its time to,
now its time to, whip your love on me.

[Verse 2]

Im a real bad girl, i got a temper betcha love it when im bad
i love the way you put it on me when you mad,
you got a problem lets take it to the bed, enough said
act bad, talk dirty to me all night
with your body pouncing on me feeling so right,
i kno you want it, imma give it to you all night
slow motion baby, ill push ya blood pipes
on the mouth, and i can back it up
i would, a Mr.Big Stuff
a pussy tight like a glove when your wearing it wet,
wet-wet got ya free ballin, gettin it in
goddamn, a beat this pussy baby
a go ham, in this pussy baby
its fight-night and i know you bettin on me (un huh, so damn bad).

[Chorus]
