Brain Editing

I used to fight a lot in the name of weird eye Moanings of a rug i damped down and let die I run free miles but anyhow i eat gold I'm going ahead please don't blame me I'm sewn up in motion Don't blame me I'm sewn up in motion I'm inertia that was brought on the ancient tray I'm sewn up in motion I'm inertia that was brought on the ancient tray For so many years i have waited every part of the engine qot old I'm going ahead but now i radiate cold Assuming fright settled down in my throat So i carry you in my mind Please don't blame me I'm sewn up in motion Don't blame me I'm sewn up in motion I'm inertia that was brought on the ancient tray I'm sewn up in motion I'm inertia that was brought on the ancient tray
