Khoiba

Eight steps to be celebrated  
Trinket or fake  
I remember the game is over  
After life of drake

Last moment  
The same and new faces  
No more phrases up to daisies  
No fear of life beside you  
She's dead  
The same and new faces  
No more phrases up to daisies  
No real life beside you

Eight steps to be celebrated

Ain't stop you more day by day naive  
Please press \* and 9 love  
Might die!!!

I don't know  
What it feels like  
To keep out  
Without turning back?
