

Terribly

Khoiba

It's terrific how the day after day hurts
Someday i will leave you
One thay i could breathe
It's terrific how the day after day hurts
Someday i will leave you
Once more J

It's terrific : I hate you day after day more
Someday i will leave you
One day i could breathe
It's terrific
I hate you day after day more
Someday i will leave you
One day

It i could breathe
Just without the same
It's time to wake up
I'll leave you here
But
I'm not to blame

It's terrific how the day after day is worse
On Sunday i lost you
But from Sunday i can breathe
It's terrific how the day after day is worse
On Sunday i lost you

I can breathe...
