

# Stop Making Speeches

**Khoma**

All accounted for.  
Marked sheep, sold.  
Matched and numbered, weak.  
Downsized, uptight.  
It's about time.

Stop making speeches.  
We can't hear you  
From the bunker bed.  
It's not like the movies,  
where hatred made clearer sense.

This time around.  
Grey sharks. Down.  
Betrayed for personal wealth  
Twelve feet under ground.
