

Ashes

Khors

Black branches of tired trees
Bowling down suddenly broken.
Silence and crackle of burning trees.
The wind is spreading burn leaves around.

Ashes - cold of the conscience.
Ashes - ice and fire,
Ashes - destiny of the brave,
Ashes - eternal throne.

The wise knows about the destiny,
Seeking for the sense of self-conscience,
Willing for the rest for the soul,
Leaves for eternity, burning down.
