

## Throne Of Antiquity

Khors

Silence, dark forest  
Fear, shadows are silent  
Souls of ancestors, ancient signs  
Power of the night oppresses conscience.

The cold is squeezing heart up to pain  
Trunks of trees carrying away a glimpse  
Loud shouts of ancient warriors  
The moonlight exposing the darkness.

An owl screaming above the old wood  
Ancient signs - souls of ancestors  
The power's filled with the gloom of the wood  
Eternity, pride and faith
