

## Free Fall

Kiana

I cry, like a helpless child I cry  
From those demons I need to hide  
I will go, they don't know  
What it's like to be alone

This time I will show them  
I will show them

No more lies  
I defy you  
I want to die  
So I take the...

Free fall  
With my overwhelming grief  
and finally I will be free

I've tried, with all of my strength I've tried  
to stand on my feet and smile  
I will show, they will know  
what it's like to be hated

This time I will show them  
I will show them

No more lies  
I defy you  
I want to die  
So I take the...

Free fall  
With my overwhelming grief  
and finally I will be free

...I will be free...
