

Free Fall

Kiana

I cry, like a helpless child I cry
From those demons I need to hide
I will go, they don't know
What it's like to be alone

This time I will show them
I will show them

No more lies
I defy you
I want to die
So I take the...

Free fall
With my overwhelming grief
and finally I will be free

I've tried, with all of my strength I've tried
to stand on my feet and smile
I will show, they will know
what it's like to be hated

This time I will show them
I will show them

No more lies
I defy you
I want to die
So I take the...

Free fall
With my overwhelming grief
and finally I will be free

...I will be free...
